Uncle Sam Committee Meeting Minutes

Tuesday June 26th 2012, 8pm. Second Floor, Senior Center, Arlington.

Attendees: Laurence McKinney, Mike Ruggieri, Hugh McCrory & Mike Rademacher

Call to order 8pm approx

Reviewed and approved the Minutes from the previous Uncle Sam Committee meeting, May 29th, 2012.

Hugh McCrory notified the committee of the up-coming Meeting of the ATED committee and the Tourist related entities in town. The meeting will take place on Wednesday, July 18, 2012 at 7 p.m. The agenda item is "Directional Sign Design Project". HMC & LMK to attend.

Mike informed us that the irrigation box at Uncle Sam park has been repaired and is now working.

Mike Rademacher discussed the CLAMP project at length and went over the current status of the project. He brought some graphics of the existing plans as available to the public.

It was agreed that it would be useful if the USC could get a blown-up copy of the Uncle Sam Park portion of the map.

Members of the Uncle Sam committee gave opinions on the project. Hugh McCrory inquired if there was some way to light up the Statue at set times during the evening and so as not to disturb any neighbors or abutters.

Mike Rademacher said he would look into what the options are into getting a light on the statue in the short term given the context of the CLAMP project and it's schedule.

Adjourned at 9:30pm
